Mary Joan Pugh, the county fitness liaison for trails is applying to receive \$100,000 from Randolph County to go towards trail improvements throughout the county. She is planning to request that \$20,000 of that go towards the Town of Seagrove's sidewalks. A presentation to the Randolph County Board of Commissioners of this proposal will take place soon.

Mayor Fernandez applied for a grant of \$100,000 with the Piedmont Triad Regional Council that will match 20% of whatever revenue the Town receives in for the sidewalk's initiative. L. Committee Reports

Jason Auman – Park

The new lights have been installed at the park by Randolph Electric.

Frank Goodson is repairing the road at the park and suggested that we add a few more speed bumps in the future to help alleviate water runoff damage.

All tees on the disc golf course have been re-packed with stone.

An Eagle scout has approached us to see if he can do a project at the park – he has suggested a dodgeball pit commonly called 'GaGa' ball. More research will need to be done before a decision is made. Horseshoe pits were also suggested as an option for the project.

Students from Uwharrie Charter are planning to host a 3K paint run at the park. They will take care of everything from set up to clean up.

Ed Walker – Event Coordinator

Ideas for possible events at the Luck's Cannery for everyone to think about

- Recycling event for Electronics Recycling – work with Asheboro Recycling to arrange pick up
- Lending Library for gardening tools
- Seed exchange/Plant exchange – NC Native plant gardening society

Sandra Walker – Zoning

Nothing at this time.

Jason Auman/Pam Allen – Streets

There is a streetlight that has our Christmas lights on it that needs to be replaced. The electric company will not replace until the Town pays to move it. More details on cost to come.

New bulbs are needed to replace the old ones for the Christmas lights we put up this year.

In 2016, the board approved lowering the speed limit from 35mph to 25mph on some side streets in the area. It is estimated we will need 12, 25mph signs, to replace the 35mph signs on these streets. We have contacted NC State Department of Transportation to get these signs updated.

Cindy Neef – Beautification

Watering.

**For those planning to run for city council in November elections you are able to put out election signs 30 days prior to voting.
